SPIRIT & COCKTAIL BAR, VENUE AND OFF-LICENCE

---

We are Lynrace, to experiment and explore  
refreshment through activity that amuses and stimulates play.

## INSPIRING CREATIVE SPIRITS

---

Lynrace Spirit is a new and unique concept owned and run by  
Lynrace Studio design house who have their studio space  
above the bar.

As an independent home for contemporary spirits, premium bottled  
and made to order cocktails, all products are sourced from unique and  
exclusive producers, each being special and representing their individual  
artistry. At the very heart of Lynrace is the desire to share, not only drinks,  
but also the exchange of ideas in a welcoming space for forging  
connections and inspiring creativity.
